

Workshop
Changing the World with Music?

What can music contribute to
peace-building and international understanding?

Wednesday, June 07, 2023 from 7:00pm to 9:30pm
Café Elysée in the digitalCHURCH, Jülicher Straße 72a, Aachen

*Do artists only make art? Or can they also convey a message?
Are they even called upon to do so at times? And how does that work then?
Tell us about your point of view and your experiences! Join the discussion!*

Participants:

Young people between the ages of 17 and 27 from Germany and abroad,
who are interested in art, intercultural exchange and politics –
e.g. high school or university students (of music, politics, ...)

Participation free of charge, application required
The event will mainly be held in English.
